

YARD WORM EGG COUNTING 2015

We will be collecting samples from your yard on the following days:

1st Collection	Monday 13th April
2nd Collection	Monday 29th June
3rd Collection	Monday 21st September

Yard: Thornton

Coordinator: Jane Hollands

Yard Coordinators please ensure that the submission form has been filled out correctly and the **correct money** (see table below) has been left **prior to** the samples being picked up or posted. **Samples will not be collected or processed until payment has been received.**

Total Number of Samples	Price per Sample
1 – 4	£9.50
5 – 29	£7.50
30 or more	£6.50

Please note **only samples submitted on the same day will benefit from the group discount.**

Those submitted after this time will cost £9.50 and will not be collected.

They should be sent to:

Raecleughhead,
Duns,
Berwickshire,
TD11 3NS.

All results will be emailed to the yard coordinator who will then display them at the yard.

Ask your yard coordinator for more information on worm egg counting or go to www.equitait.com/page47.htm
